

As part of the contract with the Bracknell Sports Centre we are required to supply pool marshals every Thursday. Below is a rota for the coming months. It will typically only require approximately 3 hours of your time from 8:15pm to 10:00pm per session. If you cannot make the date scheduled, please arrange to swap with someone who can. Please also inform Projects Officer (Andy Taylor) of any agreed changes. If you are no longer a member of BSAC 434 please let the Projects Officer know ASAP. Your primary responsibility is to ensure that HSE risks are kept to a minimum and to take the lead in the event of a diving related incident / injury and coordinate with the Bracknell Sports Centre staff. Bracknell BSAC have decided that for health and safety reasons we should have a pool marshal to people ratio of 1:15 therefore there will be 2 Pool Marshals in addition we are asking for Ocean Divers and Trainee Divers to assist on pool side especially when there are try dives or other events
